Creative Explorers

Unleash your imagination in Creative Explorers, a vibrant art class for young artists eager to dive into a world of creativity and self-expression. This class provides a fun, supportive environment where you can explore various artistic techniques and discover the joy of making art.

- **Inspire Creativity:** Participate in imaginative prompts and themed activities that ignite creativity and encourage out-of-the-box thinking. Every class is designed to spark joy and inspire kids to think creatively.
- **Experiment with Fun Mediums:** From finger painting to clay modeling, children will have the opportunity to experiment with a variety of materials and techniques. Each session introduces new mediums to spark creativity and keep the artistic journey exciting.

**Classes will run once a week for an eight-week session.
The cost is \$75.00 per class.
Private classes are \$95.00.**
