

CUBE QUEST

Collaboration Station is excited to offer our first Rubik's cube class! This engaging class is designed for students of all ages and meant to unlock the magic of this puzzle while developing essential skills that will last a lifetime. Students will have the chance to enhance their problem-solving skills as they tackle challenges in a creative way. The collaborative nature of the class fosters social interaction, allowing participants to build friendships and work together towards common goals. Throughout the course, students will explore a range of techniques, from basic to advanced, and gain insight into the world of algorithmic thinking. They will also have the opportunity to learn about speed cubing, which adds an exciting element to the experience.

Skills We Will Focus On:

- Problem-Solving Techniques
- Focus and Concentration
- Team Collaboration
- Creativity and Flexibility
- Time Management
- Confidence Building
- Patience and Frustration Tolerance
- Algorithmic Thinking

This course will run weekly for eight weeks for one-hour sessions. The cost is \$75.00 per session.
