

## Advanced American Sign Language

Collaboration Station is excited to offer a series of advanced American Sign Language Classes. Our classes are designed for those with a solid foundation in basic sign language. Our experienced instructors will guide you through highly interactive lessons. These lessons include hands-on practice and real-life scenarios, ensuring you learn in a dynamic and engaging environment. In addition to language skills and expressive communication, we will explore essential aspects of Deaf history and the rich culture that shape the Deaf community. This approach ensures you become fluent in ASL and develop a respectful and informed perspective on Deaf culture.

**Unlock the Full Potential of Communication!.**

### What to expect:

- **Expert Instruction:** Learn from seasoned Deaf and hearing instructors with years of experience.
