

History of Animation

This course is a visual history lesson that discusses animation throughout the years, including the present day. The course will review various styles, techniques, innovations, and historical moments, from the invention of the multiplane camera to the computer animation revolution and everything in between!

- Individuals will be introduced to a wide range of animation and animators.
- Discuss some of the most influential animators of all time.
- Uncover the first animated movie star and the new age of TV and Movie animation.
- Review popular movies, cartoons, and TV characters.
- Gain knowledge of significant historical events that influenced today's most popular animated films.
- Participate in movie animation trivia.

Classes will meet weekly for eight weeks for one-hour sessions. The cost is \$75.00 per class.
