

Safety Awareness Part Two

Collaboration Station is excited to offer safety awareness part two. This course concentrates on the importance of various safety measures, such as online safety, community safety, workplace safety, fire safety, and much more! The course involves role-playing and group discussions. Role-playing is a learning strategy that allows participants to act out realistic scenarios under the supervision of a teacher and our guest speakers.

- Learn strategies that increase environmental awareness.
- Increase your understanding of potentially dangerous situations.
- Learn safety strategies to assist with traveling.
- Expand your knowledge of self-defense.
- Expand knowledge of online safety (bullying, cyber scams)

Individuals of all abilities are welcome!

Classes will meet weekly for eight weeks for one-hour sessions.

The cost is \$50.00 per class.
